FBL-25/WS

Four Season Lightweight
Front-Zip Flight Boot

Whether you're standing stationary for hours at a time or performing Flight Operations where movement is essential, the FBL-25/WS will provide both stability and flexibility in any application.

Our combination curved double front zipper & lacing system makes it easy to get into and out of this lightweight boot and is a perfect choice for everyday use.

HEIGHT: 8" or 21 Cm.

UPPER: Full-grain cowhide leather, 1.6-1.8 mm.

MIDSOLE: Soft, shock-absorbent MICRO.

OUTSOLE: Exclusive DAVOS® "Tristar" rubber outsole anti. F.O.D.

INSOLE: 100 % Leather and PU foam for breath and comfort.

SPECIAL FEATURES:

- ▶ Front double zipper entry with moulded security overlay
- ▶ Low profile sole reduces weight & improves mobility
- ▶ Sharp angled lugs and defined heel maximize traction
- ▶ Rappelling bars on outsole extend wear
- ▶ Aggressive elastic lace-to-toe style allows for a customized fit
- ▶ 100% Leather breathable, moisture-wicking lining.

MEN'S Sizes: 40-41-42-43-44-46-46.

ANTI- F.O.D., OIL & SLIP RESISTANT
